

THE Connection

JENNERSTOWN UNITED METHODIST CHURCH - NEWSLETTER

November 2021

Walk Thru otLIVE

Would you believe it is possible to learn the entire Old Testament in just a few hours? Pastor Chuck will be leading a Walk Thru otLIVE Event here at JUMC on Saturday, November 20th from 9am-Noon. Cost of workbooks will be \$10 each.

Please sign up at the Information & Event Center or mark your connection card. Invite friends and family to come along, and have fun while learning the Old Testament!

Hanging of the Greens

Advent begins on Sunday, November 28th, so in order to get ready for this very special time of year, we will be having our annual Hanging of the Greens on Sunday, November 21st.

Sunday school that day will be at 9am with one worship service at 10am. We will then have some grab & go sandwiches as we decorate the church. Plan to stay, help, and enjoy the fellowship!

“How beautiful on the mountains are the feet of those who bring good news.”

Isaiah 52:7a NIV

The Pastor's Corner

It amazes me that some folks believe that the universe and everything in it came about by chance, that it took millions and billions of years to get to where we are today.

The human body consists of approximately 100 trillion cells, and, with very few exceptions, each of them contain DNA molecules—the strands of life that house our entire genetic blueprint. If unraveled, each DNA strand is about six feet long, but only 50 trillionths of an inch wide. If put end-to-end, a person's DNA would stretch over 100 billion miles.

Or this: Why is earth smartly tilted at 23.5 degrees, which allows the perfect amount of sunlight at different angles to give us seasons and the ability to grow crops? Or why does Venus spin in the opposite direction, thus causing the sun to rise in the west and set in the east? Or why does Uranus roll around the sun like a ball on its side, while all other planets spin like a top?

Only an Intelligent Designer could take something so staggeringly complex—whether it be miniscule or massive—and make it all perfectly systemized. That's our God!!!

I believe this verse from the book of Romans says it all: *“Since the creation of the world, His invisible attributes—His eternal power and divine nature—have been clearly seen in the things that have been made. Therefore, they are without excuse.”* (Romans 1.20)

What an awesome God we serve!

Faithfully,

Pastor Chuck

Jennerstown Family News

Men’s Ministry meets every 3rd Saturday beginning at 8am. Join us for fellowship, a lesson based on Scripture and donuts from the Pie Shoppe!

The small Exercise group meets every Tuesday and Thursday at 9:30am. Everyone is welcome to attend!

Do you have a gift for music? Are you looking for a way to serve your church? The **Praise Band** at our contemporary service is looking for new members. If you are interested in this ministry, please contact Beverly Penrod.

The Worship Team is looking to have special music at either worship service for the foreseeable future. If you are interested, or know of someone who would be, please contact Heather Kush or Amanda Stillwagon.

The Missions Team will be collecting items for the Basket Blessings. Please see sign-up sheet for needed items. Baskets will be assembled Thursday, November 18th and delivered November 22nd.
